1. Introduction

Gudiee LLC ("Gudiee," "we," "us," or "our") is committed to maintaining a trusted marketplace where Creators, Makers, Suppliers, and Buyers can participate safely and responsibly.

This Prohibited Products & Marketplace Content Policy defines products, content, and activities that are not permitted on Gudiee.

This Policy applies to all marketplace participants, including:

- Creators.
- Makers.
- Suppliers.
- Buyers.

This Policy supplements:

- Gudiee Terms of Service.
- Privacy Policy.
- Creator Agreement.
- Maker Agreement.
- Supplier Agreement.

Gudiee may update this Policy as marketplace standards, laws, and operational requirements change.

Users are responsible for ensuring they have appropriate rights to all submitted content.

Prohibited Products & Marketplace Content Policy

4. AI-Generated Content Policy

Gudiee does not permit AI-generated content to be uploaded as Creator designs or marketplace listings.

This includes:

- AI-generated artwork.
- AI-generated product designs.
- AI-generated images used as original Creator work.
- Content falsely represented as Creator-created.

Creators must verify that submitted designs:

- Were created by them.
- Are original.
- Are not generated by artificial intelligence.

Violations may result in:

- Listing removal.
- Creator role suspension.
- Account restrictions.
- Account termination.

5. Illegal Products

Gudiee does not allow products that are illegal to manufacture, sell, or distribute.

Examples include:

- Illegal drugs or controlled substances.
- Products intended to facilitate illegal activity.
- Stolen goods.
- Fraudulent documents.
- Unauthorized government materials.

Prohibited Products & Marketplace Content Policy

6. Dangerous Products

Gudiee prohibits products that create unreasonable safety risks.

Examples may include:

- Explosive devices.
- Hazardous materials.
- Unsafe consumer products.
- Products designed to cause harm.

Users are responsible for ensuring products meet applicable safety requirements.

7. Weapons and Restricted Items

Gudiee may restrict or prohibit products involving weapons, weapon components, or items regulated by applicable laws.

Products may be reviewed based on:

- Intended use.
- Design.
- Functionality.
- Applicable regulations.

Gudiee reserves the right to remove products that create safety, legal, or marketplace risks.

Prohibited Products & Marketplace Content Policy

8. Adult Products and Mature Content

Gudiee may allow certain adult-oriented products where legally permitted and where they comply with marketplace requirements.

Products may not include:

- Illegal sexual content.
- Non-consensual content.
- Exploitative content.
- Sexual content involving minors.
- Content violating applicable laws.

Gudiee may restrict visibility, require additional review, or prohibit certain categories.

9. Hate, Harassment, and Discriminatory Content

Gudiee does not permit products or content that promote:

- Hate groups.
- Violence against protected groups.
- Harassment.
- Dehumanization.
- Discriminatory attacks.

Products expressing opinions or viewpoints must still comply with marketplace standards.

Prohibited Products & Marketplace Content Policy

10. Misleading Product Information

Users may not provide inaccurate or deceptive listing information.

Prohibited practices include:

- False claims about materials.
- False production claims.
- Misleading images.
- Incorrect product specifications.
- False statements about origin or authenticity.

Listings must accurately represent the product Buyers will receive.

11. Regulated Products

Certain products may require additional review, documentation, or restrictions due to applicable laws and regulations.

Examples may include:

- Products requiring licenses or certifications.
- Products subject to age restrictions.
- Products with safety requirements.
- Products subject to regional restrictions.

Users are responsible for ensuring their products comply with applicable requirements.

Gudiee may request documentation before allowing regulated products to be listed.

12. Medical and Health-Related Products

Gudiee may restrict products that make medical, health, or therapeutic claims.

Users may not list products that:

- Claim to diagnose, treat, cure, or prevent medical conditions without proper authorization.
- Make unsupported health claims.
- Misrepresent product capabilities.

Products involving health-related uses may require additional review.

13. Financial, Government, and Official Materials

Gudiee prohibits products that falsely represent official authority or attempt to replicate protected materials.

Examples include:

- Government documents.
- Official credentials.
- Fraudulent identification materials.
- Unauthorized certificates.
- Products intended to deceive others.

14. Privacy and Personal Information

Users may not upload, sell, or distribute products containing unauthorized personal information.

Prohibited examples include:

- Private personal data.
- Unauthorized photographs of individuals.
- Private records.
- Sensitive information belonging to others.

Users are responsible for obtaining appropriate permissions before using personal information in products.

Prohibited Products & Marketplace Content Policy

15. Misuse of Creator Designs

Makers and other users may not use Creator designs outside authorized Gudiee transactions.

Prohibited actions include:

- Reproducing Creator designs independently.
- Selling Creator designs elsewhere without authorization.
- Sharing production files.
- Claiming Creator designs as their own.

Creators retain ownership of their submitted designs.

16. Misuse of Marketplace Systems

Users may not manipulate Gudiee systems or marketplace activity.

Prohibited activities include:

- Fake orders.
- Fake reviews.
- Artificial engagement.
- Manipulating ratings.
- Circumventing marketplace fees.
- Attempting to move transactions outside Gudiee to avoid platform processes.

17. Product Safety and Manufacturing Requirements

Makers are responsible for ensuring products they manufacture are produced safely and according to applicable requirements.

Makers may not:

- Use unsafe production methods.
- Substitute materials without appropriate approval.
- Ship products that do not meet listing requirements.
- Ignore known safety issues.

Suppliers are responsible for accurately representing material specifications.

21. Enforcement Actions

Gudiee may take actions including:

- Removing listings.
- Restricting product visibility.
- Suspending marketplace roles.
- Suspending accounts.
- Terminating accounts.

Actions may depend on:

- Severity of violation.
- Previous violations.
- User cooperation.
- Potential harm to users or the marketplace.

22. Appeals Process

Users may appeal:

- Listing removals.
- Role restrictions.
- Account suspensions.

Appeals should include:

- Explanation of the situation.
- Supporting information.
- Corrective actions taken.

Gudiee may review appeals and determine whether actions should be modified or maintained.
